What we love about Mt Evelyn

The friendly people. The supportive community. Random smiles. Laughing children. Playing in the river. The variety of beautiful trails. Wild bush adventuring. Hearing the owls hoot. Birdsong. The light between the trees. The sunrise. The pink sunset. The village that has everything. Fresh air. Coffee in the air. Yummy baked treats. Gourmet food. Kombucha and smoothies. Live music. Going out with friends. All the awesome picnic spots. Playing sport. Family games. Cycling all over town. Wombats in the yard. Lazy kangaroos. Noisy possums. Frogs singing. Starry skies. And, the way the locals love the village...
